

**Oakridge School District #76**  
 Safe and Healthy Schools Plan  
 April 3, 2017

**1. Responsible Person**

OAR 581-022-2223(5)(a) states that the Healthy and Safe Schools Plan must include the position within the school district's or public charter school's administration responsible for maintaining and implementing the Healthy and Safe Schools Plan.

The person responsible for maintaining and implementing the Healthy and Safe Schools Plan is:

Name: Dr. Donald L. Kordosky  
 Position: Superintendent  
 Contact information:  
 Email: [dkordosky@oakridge.k12.or.us](mailto:dkordosky@oakridge.k12.or.us)  
 Phone: 541-782-2813  
 Mailing address: 76499 Rose St.  
 Oakridge, OR  
 97463

**2. List of Buildings**

OAR 581-022-2223(5)(b) states that the Healthy and Safe Schools Plan must include a list of all facilities that are included in the Healthy and Safe Schools Plan.

This plan covers the following buildings:

Building Name	Building Address
Oakridge Jr/Sr High	47997 W. 1 <sup>st</sup> , Oakridge, OR, 97463
Oakridge Elementary	48119 E 1st St, Oakridge, OR 97463
Westridge School	46433 Westfir Rd, Westfir, OR 97492

**3. Radon**

OAR 581-022-2223(5)(c) states that the Healthy and Safe Schools Plan must include a plan to test for elevated levels of radon as required under ORS 332.167. Note: radon measurement plans from school districts were due to OHA on September 1, 2016.

Radon measurement resources for schools:

- Oregon Health Authority's radon measurement protocol, tools, and plan submission information are located here:  
<http://public.health.oregon.gov/HealthyEnvironments/HealthyNeighborhoods/RadonGas/Pages/Testing-in-Schools-.aspx>
- Oregon School Boards Association (OSBA) has a generic plan (based on OHA's protocol) that may be used to satisfy the requirement if printed out on district letterhead and signed by district staff. It is located here:

[http://www.osba.org/News%20Center/Announcements/2016-07-18\\_RadonTestingPlan.aspx](http://www.osba.org/News%20Center/Announcements/2016-07-18_RadonTestingPlan.aspx)

The district has developed a radon plan as required by ORS 332.167. Community members can access a copy of the radon plan here: <http://www.oakridge.k12.or.us/>.

Test results will be made public and posted to the district website here: <http://www.oakridge.k12.or.us/>

#### 4. Lead in Drinking water

1. **Identify sources of lead:** *Water from all consumable taps was tested in during the summer of 2016, and the District will test all taps used for drinking or food preparation in the building to identify any lead problems again in 2021 and 2026. The OSD #76 follows the Environmental Protection Agency's 3 T's Revised Technical Guidance to ensure that samples for lead are collected properly and from the right places. OSD #76 uses an OHA-accredited drinking water laboratory to analyze samples for lead.*
2. **Stop access:** *The OSD stops access to any consumable water sources that contains 20 ppb or more of lead.*
3. **Communicate:** *Lead testing results are published in the local newspaper (the Dead Mountain Echo) and posted on the District's website: <http://www.oakridge.k12.or.us/>*

*Hard copies of the test results are available at the District office.*

4. **Mitigate and correct:** *The OSD replaces the sources of lead in building plumbing with non-lead producing components.*

#### 5. Lead Paint

*OAR 581-022-2223(5)(e) states that the Healthy and Safe Schools Plan must include a plan to reduce exposure to lead paint that includes the following compliance with the United States Environmental Protection Agency's Renovation, Repair and Painting Program Rule.*

*The Renovation, Repair and Painting Program Rule requires that individuals and firms conducting renovation, repair and painting projects on pre-1978 homes and "child-occupied facilities" be certified to follow lead-safe work practices. "Child-occupied facilities" is defined in OAR 333-070-0085.*

*For more information on the Renovation, Repair and Painting Program Rule, you can visit the following website:*

<https://public.health.oregon.gov/HealthyEnvironments/HealthyNeighborhoods/LeadPoisoning/ChildCareSchools/Pages/RulesforRenovating.aspx>

*In order to comply with the United States Environmental Protection Agency's Renovation, Repair and Painting Program Rule, the district will only contract with certified lead based paint renovation contractors licensed by the Oregon Construction Contractors Board.*

#### 6. Integrated Pest Management

*OAR 581-022-2223(5)(f) states that the Healthy and Safe Schools Plan must include a plan to implement integrated pest management (IPM) practices as required under ORS 634.700 through 634.750.*

*The Oregon State University School IPM Program has created two model plans to assist districts. The model plans are attached. However, a school governing body may adopt any integrated pest management plan that complies with the requirements of ORS 634.700 through 634.750.*

*If a district chooses to use an Oregon State University model plan template, the plan must be modified by the specific school district*

*or public charter school to fit their unique situation.*

The District has adopted an integrated pest management plan as required by ORS 634.700 through 634.750. Community members can access a copy of the IPM plan here: <http://www.oakridge.k12.or.us/>

## **7. Communication**

*OAR 581-022-2223(5)(g) states that the Healthy and Safe Schools Plan must include a plan to communicate results for all tests performed in accordance with the Healthy and Safe Schools Plan that includes the following:*

- The school district or public charter school must make all test results available to the public within five business days of receiving the results;*
- The school district or public charter school must make the results available to the public by posting the results on the school district or public charter school website, sending notice of the results over the email system, and making the results available in hardcopy at the main administration office; and*
- The school district or public charter school must provide detailed information explaining the test results.*

The District will make all test results and detailed information explaining the test results available to the public within five business days of receiving the results. Results will be made available by posting the results on the district website, and making the results available in hardcopy at the main administration office.
